

Revival in the Heartland

Southwest Region

What an exciting time it is to be in the Heartland. God is moving Mightily and changing lives. In our local church at Exciting Living Word Fellowship, God is moving in each service, and excitement is excelling for the New Year, 2025. The Year of Attention!

In our local area, a youth ministry called Third Force Ministries founded by Youth Pastors at Word and Spirit Revival Tabernacle, Michael and Sheleenna Barnett are reaching the youth of our area and surrounding areas for the glory of God. Winning youth to the Kingdom of God!

In our region there is a Bible ministry with an outreach for prisons. This ministry provides study Bibles and large-print Bibles for prisoners. This ministry was founded by the late Robert "Bob" Durham in 1983. The ministry is now in the care of Monnie Sears, director, and Joanna Sears, administrator. Due to recent changes in prison regulations, it is very difficult to send a Bible directly to a prisoner. But, praise God, the Bible Warehouse is also able to support ministers in Zambia, Malawi, and Tanzania. God is working mightily through Bible Warehouse.

In His Service,

Rusty Wilson
